

## **U 15 A/B Final Selections**

The selection process for U 15 All Star teams was conducted by independent player evaluators as well as independent goalie evaluators. The evaluations covered 6 hours of on ice sessions for each registered player. The process was overseen by the All Star Director and Past President (as the Technical Director was in conflict) to ensure the validity and fairness of the evaluation. After much deliberation and discussion the following players have been selected for U 15 A Team as well as U 15 B Forwards and Goalies. (Listed in alphabetical order by position). Due to an exemption granted to one defenceman, the B Defence and Complete C team will not be announced at this time. We do expect to complete the evaluation on the exempt player in very short order and the remainder of the selections will be posted ASAP. The player in question had to travel out of province on short notice to tend to a family emergency and was unable to participate in any of the sessions
