

U 15 A/B AP Lists

The recently amended All-Star Guidelines makes reference to the following procedure for replacement or call –up players:

Each A and B team will have 6 named AP's (3 forwards, 2 Defence, 1 Goalie). These players will be called up on a rotational basis during the regular season.

Tournament Call-ups need not necessarily follow the rotation, but it would be encouraged to rotate where practicable. Any Call up for a C or D team will be done in consultation with other coaches and should be merit based at the time of call up.

A player may be removed as AP if, in the opinion of their coach and with approval of the All-Star Director and Technical Director, they are not exhibiting the required attendance, effort or behavior expected of them by their coaching staff.

When an A or B player is unable to attend a practice, coaches shall call up AP's on a rotational basis to fill their spots. This rotation will be separate and apart from the game call up rotation.
