

The Christopher Pink Award

This award is given to the Most Spirited Player in our U11 House League Division. This award is in memory of Christopher Pink, who at the time played in our association. He was a member of the Lee's Snowballs Team. Christopher passed away tragically in an automotive accident.

In his honor, MPMHA wanted to remember his spirit and love for the Game

Criteria:

The Christopher Pink award nominee should be a player who you feel best represents the enthusiasm, respect, positive spirit and love of being a part of a hockey team. Someone who is rarely late to practice, never misses a game, the first one to the rink and the last to leave. It is the child who brings their smile each and every day and spreads it throughout the dressing room. It is someone who has left a positive impression of his or her leadership all year.

There are no ties for this award and you can choose someone from your own team if you wish. Thank You for taking the time to recognize the importance of being a great teammate with spirit to rally his or her team time and time again.
