

## U 11 C/D Update

The selection process for U 11 All Star teams was conducted by four independent player evaluators as well as two independent goalie evaluators. The evaluations spanned over 6 hours of on ice sessions for each registered player. The process was overseen by the All-Star Director with the assistance of the Technical Director to ensure the validity and fairness of the evaluation.

All players who participated in the process have been fully evaluated and have been ranked in preparation to announce the selected members of U11 C and U11 D teams respectively.

We had an injured player who was unable to attend any evaluations due to a very recent injury. The All Star guidelines, which can be found on the MPMHA website, deals with such a situation in the following manner:

*“ 4. Any player who is unable to attend tryouts due to an injury must first register for the tryout session and then submit a written request to the All-Star Director to have an evaluation done at a later date. This evaluation will be done in conjunction with the All-Star Director and the Technical Director. The evaluation must happen within one month of the last tryout date.”*

Based on the above, we will evaluate the player in question as soon as possible and once this is complete we will release the final C and D rosters.

All players not named to the A or B team are now released to participate in the House League Evaluations to be placed on their teams for MCHL play.
