All-Star Tryout information.

All players in U11, U13 and U15 will get a minimum of 1 Skill Session, 1 Small Area Game Session and 2 Games as part Phase 1 of the evaluation process. For U13 and U15 players the skill sessions will be separate for forwards and defense to allow for more position specific skill evaluation.

Once Phase 1 of the evaluation process is concluded, there will be a set number of players per division named to participate in Phase 2 which will comprise of 1 or 2 further game sessions for final evaluation.

During Phase 2 of the evaluation some of the higher ranking players may be asked not to attend one or more of the games. This will be done to ensure that proper evaluation of the remainder of the players can be completed.
