

MPMHA Year End Report Special Events 2021/2022

This year was yet another season affected by COVID-19 and once again was shortened. We did, however, accomplish a lot. Here is a summary of all the MPMHA completed through the Special Events sector of our association:

- The Big Give Food Drive. This was completed differently this year and was a ‘Drive-Thru Food Drive’. Our players helped to fill out community food banks and it was a great success. Our teams and volunteers had a wonderful team building event.
- The Clothing Drive. Universal Corporate Wear hosted this at their store due to COVID Protocols and it was a success. We have extended their contract for an extra year since this year was so disrupted.
- The Frosty Festival Play On was cancelled due to COVID
- The Frosty Festival was much different this year, and we had another “Drive Thru Food Drive” in conjunction with the City of Mount Pearl and it was well attended.
- The Awards have been chosen and are ordered. When they come in, we will distribute them and post to the website. We are still unsure as to the logistics of it yet!

I would like to thank my Co-ordinator, Mandy Jones, for all she has done throughout the year to help with every endeavor.

Hopefully we will see everyone at the rink soon.

Yours in hockey,
Susan Pearcey
